

Affiliate Member Benefits

At Three Rivers Association of REALTORS®

EDUCATIONAL OPPORTUNITIES

Three Rivers is committed to supporting the professional growth of all its members, including Affiliates. Through a partnership with Illinois REALTORS®, we offer a variety of online continuing education courses tailored specifically for industry professionals such as Mortgage Lenders and Appraisers. These convenient, state-approved courses help Affiliates stay current with licensing requirements, expand their knowledge base, and maintain a competitive edge in the real estate marketplace.

NETWORKING EVENTS

Affiliate Members are encouraged to attend association events to engage directly with REALTORS® in a professional yet welcoming environment. Whether attending a luncheon, educational seminar, or community-focused gathering, Affiliate Members can connect with real estate professionals to build meaningful relationships, increase their visibility, and stay informed on industry trends. These events offer a unique platform to share expertise, develop trust, and become a familiar and reliable presence within the REALTOR® network.

SPONSORSHIP OPPORTUNITIES

Affiliate Members have access to exclusive sponsorship opportunities throughout the year. Sponsorship allows businesses to showcase their services, reinforce brand recognition, and demonstrate their support for the REALTOR® community. From event signage and promotional materials to speaking opportunities and digital exposure, sponsorships provide targeted visibility that enhances credibility and positions Affiliates as engaged, valued partners in the real estate industry.

GOOD NEIGHBOR ACTIVITIES

Give back to the community through charitable events in partnership with organizations like local chambers of commerce, the Center for Economic Development, Morningstar Mission, and the Northern Illinois Food Bank.

LEADERSHIP OPPORTUNITIES

Affiliate Members also have the opportunity to participate in the Affiliates Committee, which is made up exclusively of Affiliate Members. This committee plays a vital role in shaping the Affiliate experience at TRAR by organizing charitable initiatives and educational events that benefit the entire membership. One of the committee's signature programs is the Food for Thought lunch and learn series, which brings in expert speakers on industry-relevant topics. These informative sessions are held at the association office and are open to all members at no cost, offering a valuable forum for shared learning and professional development.
